PRODUCT & PRICE LIST: JULY - DEC 2025

Hi my name is Laura Birtwell and I would like to welcome you to
Sea Dragon Giftware,
the home of Personalised and Unique Sand Etched Gifts.

All Sea Dragon Giftware products are handcrafted by myself using a specialised sand etching/sand blasting/engraving process NOT simply using laser engraved images.

I take the time to ensure beautiful and unique products are created each and every time.

I look forward to helping you find or design that unique gift from the heart.

Laura Birtwell
